The student with the most correct sentences is the winner. The student then looks at the name at the beginning of the first sentence on their worksheet (e.g. Sophia) and goes to the group where the person is located to ask them the question. In the activity, students play a miming game where they guess what their classmates were told to do using their cards. Next, students change direct speech into reported speech. In groups, students then take it in turns to report back the information they found out about their classmates using reported speech. The students then report what was said using at least four modal verbs in their response. The first student to collect all their message cards wins the game. Other possibilities include Ethereum, Ripple, person-to-person transactions and even checks sent to you by courier. YoueAAAAll find games youAAAAre familiar with, like Scrabble, Yahtzee, Risk and Monopoly, and games that are unique to the site. The student with the most points at the end of the game wins. The readers run to the text and read each numbered line, remember it, run back, and say it to their partner who writes it down. Visa and Mastercard payments typically take three to four days, while a bank wire takes five business days. Students use an expression for showing interest or surprise each time they hear a sentence. YoucAAAAl also need your email address as well as a unique username and password that youcAAAAl use to access all areas of the site when you sign in. What You Get With a Free Pogo AccounttAAAAs not necessary to pay to use the site. The pairs then swap roles and the process is repeated. All payouts are limited to a minimum of \$150 and a maximum of \$2,500. BetOnline Casino This online casino is headquartered in Panama, where online wagering is allowed, but the site still cautions everyone to abide by their local governmentsAAA rules and regulations.
